

This is Bart.

Bart is not real smart!

Bart does not pay full attention when crossing tracks on his way to school.

Bart thinks it's cool to take selfies on railway tracks.

Bart does not get off his bike to cross railway tracks.

Bart goes under lowered railway crossing gates.

Hi Bart, I'm Spike the Safety Dog. What you're doing is very dangerous, please come to my railway safety class.

Hey Bart, let's take a shortcut.

No, that's not safe we will go down to the designated crossing.

Now Bart is RAIL Smart!
