

**Canadian Safety
Train Express**

DECEMBER 2025

NEWSLETTER

**Welcome Aboard the Canadian Safety Train Express!
We are thrilled to bring you the latest updates and insights on the Canadian Safety Train Express. As we journey together, safety remains our top priority. Here's what's new:**

What have we been up to?

November Highlights:

- Hosted 107 students from Saskatchewan for an on-board presentation.
- Attended the Saskatoon Christmas parade, distributing over 3000 rail safety activity books.
- Due to a high number of near miss incidents on the Wheatland Rail at the Hwy 41 crossing south of Wakaw, SK, we have installed an ACMS (Autonomous Crossing Monitoring System) at this location. It came online in December 2025. This project is in partnership with the Saskatchewan Ministry of Highways and Athena Industrial Services. Also thanks to CDL Electric for their help with this project!

*Stay Focused and Safe This
Holiday Season*

The Christmas season brings busier roads, tighter schedules, and plenty of distractions - from holiday events to last-minute errands. As we travel to visit friends and family, it's more important than ever to stay alert around railway crossings. Put the phone away, slow down, and take an extra moment to look and listen for trains. A few seconds of attention can make all the difference. Let's keep our communities safe so everyone can enjoy a safe and happy holiday season.
